

Priority : **HIGH** ; **MEDIUM** ; **LOW**

A contact can be customers, relatives, friends, etc.

I want to <Do something>	So that <achieve some goals>
Create contact	I can see them later
Edit contact	I can be up to date
Link contact to a profile	I don't need to update them when there is a change
View a contact	I can see the contact information
Set up my personal profile	I share it with other contact
Tag contact	I can categorize them
Search up a contact	I can find a contact
Message with my contact	I can reach out to them
Call my contact through phone	I can reach out to them
Receive Notifications to be reminded on catching up with a contact	I can stay in contact
Receive Notifications to be mentioned	I can notice where should I take a look
Set up a meeting with a contact	I can communicate with them
See a list of upcoming meetings on a calendar	I can organise my days better.
Create chat group with my contacts	I can message a group of people easily
Make notes to a contact	I can recall info about them
Make notes to a meeting	I can recall meeting info
Import contact from my phone	I don't have to create contacts manually
Sync up with my phone calendar	I can have all the relevant timetabling information in one place
